

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,
Plaintiff,

v.

GHASSAN HADDAD,
Defendant.

No. CR05-0071P

ORDER ON DEFENDANT'S
MOTION FOR BILL OF
PARTICULARS, MOTION FOR
INSPECTION OF PERSONNEL
FILES OF LAW ENFORCEMENT
OFFICERS, AND MOTION FOR
NOTICE OF INTENT TO USE 404(b)
EVIDENCE

This matter comes before the Court on Defendant Ghassan Haddad's Motion for Bill of Particulars (Dkt. No. 74), Motion for Inspection of Personnel Files of Law Enforcement Officers (Dkt. No. 75), and Motion for Notice of Intent to Use 404(b) Evidence (Dkt. No. 76). Having considered Mr. Haddad's motions, the Government's Response and Mr. Haddad's Reply and all other pertinent documents and papers in this case, the Court GRANTS the motion for a bill of particulars and FINDS AS MOOT the Motions for inspection of law enforcement personnel files and for notice of intent to use 404(b) evidence.

In Mr. Haddad's motion for a bill of particulars, Mr. Haddad requests that the government be ordered to state the following with respect to count 3:

- 1 1. The make, model and serial number of any firearm which is the subject of count 3 dealing
- 2 in firearms without a license;
- 3 2. The date and location of the sale of any such firearms which are the subject of count 3; and
- 4 3. The purchaser of the firearms which are the subject of count 3.

5 The Court finds that the requested information is key to Mr. Haddad's ability to mount a defense
6 against the charge contained in count 3 and orders the Government to disclose this information to the
7 Defendant within ten (10) days of the date of this Order.

8 Regarding Mr. Haddad's motions for inspection of law enforcement personnel files and for
9 notice of intent to use 404(b) evidence at least 21 days before trial, the Court finds that these motions
10 are now moot because the Government, in its Response (Dkt. No. 81) has agreed to provide Mr.
11 Haddad with the information that he seeks. Should the Government not follow through with this
12 promise, the Court trusts that counsel for Defendant will alert the Court.

13 The Clerk is directed to send copies of this order to all counsel of record.
